Writing about college life in 500 words is impossible but if I had to, I'd say it would be summed up by this Gretzky quote: “You miss 100% of the shots you don't take.”

College has been full of going-out-of-the-comfort-zone moments. Living away from family, meeting people from different backgrounds, playing basketball with new faces, acads and org-work, all challenged me. Ateneo taught me to always take the shot and never shy away. Thank you Ateneo for bringing out the best in me.
