*MINOR IN DEVELOPMENT MANAGEMENT*

I would do it all again.

The sleepless nights, the failed tests, the struggle to balance org work and school work, the lazy group mates, and the stress...YES, all the stress. I would do it all again if it means getting to relive every great memory that came along with it.

Thank you, Ateneo, and everyone who's been in this journey with me, for the weekday drinks, spontaneous adventures, JSEC memories, countless life lessons, and never-ending laughs. Thank you for the best 4 years of college.
